- Regional initiatives
- Visa program reviews:
 - Employer Nomination Scheme, Regional Sponsored Migration Scheme and Business Skills
- State migration plans
- Independent Skilled Migration and the Points Test
- *SkillSelect* – a new way of selecting skilled migrants

Regional Cooperation Framework

A key milestone in the region's response to irregular migration.

Demonstrates regional recognition of the need for a co-operative international response to an enduring global challenge.

Will undermine the people smuggling trade, increase protection space in the region and promote orderly migration.
