Integrity of nomination

The Department of Immigration and Citizenship (the department) is committed to maintaining the integrity of the visa and citizenship programs. Please be aware that if you provide us with fraudulent documents or claims, this may result in processing delays and possibly your nomination being refused.

Nominating a student guardian

Complete this form in ENGLISH using BLOCK LETTERS. In order to complete this form you must first read these notes and, if applying for a Student Guardian visa, read information form 1234i *Applying for a Student Guardian visa*, available from your nearest Australian Government office overseas or the website of the department www.immi.gov.au/allforms/

You may nominate a guardian to accompany you to, or join you in, Australia on a Student Guardian visa if:

- you are less than 18 years of age and require a guardian to provide appropriate care and welfare arrangements; or
- you are more than 18 years of age and there are exceptional reasons for you to require a guardian.

Except in very limited circumstances, your guardian, if applying for a Student Guardian visa, must be a parent or relative aged 21 years or over.

Every applicant for a Student Guardian visa must satisfy the criteria for grant. These criteria include, but are not limited to, their relationship to you, their age, financial capacity, family composition and arrangements for any dependent family members, intention to comply with visa conditions and other relevant matters. Information on these criteria and the conditions, which are likely to be attached to their visa, can be found in the information form 1234i *Applying for a Student Guardian visa*.

A relative is defined as a spouse, de facto partner, a child, brother or sister of the applicant, step-child, step-parent, step-brother or step-sister of the applicant, grandparent, grandchild, aunt, uncle, niece or nephew, or a step-grandparent, step-grandchild, step-aunt, step-uncle, step-niece or step-nephew of the applicant.

Character requirements

If you will be in the care of a relative in Australia, they must be a relative as defined above, aged 21 years or over and of good character. More information on character requirements and penal clearances is available from the department's website www.immi.gov.au/allforms/

Welfare arrangements for students under 18 years of age

The department bears no responsibility for welfare arrangements made on a student's behalf. It is the responsibility of the parents or legal custodians of a student under the age of 18 to ensure that the arrangements they make on the student's behalf provide appropriate welfare for the entirety of the student's stay in Australia while they are under the age of 18.

Lodging the student guardian nomination form

If your guardian is applying for a Student Guardian visa, this form should be completed and lodged together with form 157G *Application for a Student Guardian visa*.

If you are applying for a student visa and your guardian is already in Australia on another temporary visa or as an Australian citizen or permanent resident, this form should be completed and lodged together with form 157A *Application for a student visa*.

If you currently hold a student visa and wish to change your current welfare arrangements to stay with your relative in Australia, only this form needs to be completed and lodged.

If we need further information in relation to your nomination, we will contact your student guardian.

If any information provided in this nomination form changes, or you no longer wish to nominate this person as your student guardian, you must advise the office of the department where the nomination was lodged.

Consent to communicate electronically

The department may use a range of means to communicate with you. However, electronic means such as fax or e-mail will only be used if you indicate your agreement to receiving communication this way.

To process your application the department may need to communicate with you about sensitive information, for example, health, police checks, financial viability and personal relationships. Electronic communications, unless adequately encrypted, are not secure and may be viewed by others or interfered with. If you agree to the department communicating with you by electronic means, the details you provide will only be used by the department for the purpose which you have provided them, unless there is legal obligation or necessity to use them for another purpose, or you have consented to use for another purpose. They will not be added to any mailing list.

The Australian Government accepts no responsibility for the security or integrity of any information sent to the department over the internet or by other electronic means.

About the information you give

The department is authorised to collect information provided on this form under Part 2 of the *Migration Act 1958*. The information collected will be used for assessing your eligibility for a visa to travel to, enter and remain in Australia and for other purposes relating to the administration of the Migration Act, for example to assist migrants with settling in Australia, to monitor the conduct of migration agents, or for ensuring compliance with the Migration Act.

The information collected might also be disclosed to agencies who are authorised to receive information relating to adoption, border control, business skills, citizenship, education, health assessment, health insurance, health services, law enforcement, payment of pensions and benefits, taxation, superannuation, review of decisions and registration of migration agents. It will also be disclosed to any agency of the Australian Government, or of a state or territory, that is responsible for or otherwise concerned with the regulation of education providers.

Relevant information about you will be disclosed to federal, state and territory police to assist in your location and possible detention in the event that you become an unlawful non-citizen. You will become an unlawful non-citizen if your visa ceases (for example, by cancellation for breach of visa condition) or expires and you do not hold another visa authorising you to remain in Australia.

In circumstances where your character is a factor in assessing an application to care for an overseas student in Australia, the department may release your personal information to Australian federal, state and territory police forces and overseas law enforcement agencies and obtain information from them to assess your ability to satisfy the Minister that you are of good character.

The collection, access, storage, use and disclosure by the department of the information you provide in this form is governed by the *Privacy Act 1988* and, in particular, by the 11 Information Privacy Principles. The information form 993i *Safeguarding your personal information* gives details of agencies to which your personal information might be disclosed. This form is available from the department's website www.immi.gov.au/allforms/ or from any office of the department or Australian mission overseas.

The department is authorised under the *Migration Act 1958*, in certain circumstances, to collect a range of personal identifiers including a facial image, fingerprints and a signature from non-citizens, including from visa applicants. The department requires personal identifiers to assist in assessing your identity. The department is authorised to disclose your personal identifiers and information relating to your name and other relevant biographical data to a number of agencies including law enforcement and health agencies and to other agencies who may need to check your identity with this department. Where the department obtains personal identifiers they will become part of your official record with the department.

The department is involved in international information exchanges with a number of other countries. These exchanges include the sharing of personal identifiers, including a facial image and fingerprint data collected by immigration agencies such as this department. If, as a result of this sharing between countries, there is a match with your personal identifiers, the department will disclose your biographic data and immigration history to the other agency. The purpose of such disclosure would be to determine if you are presenting to the department and the other agency under the same identity and making similar claims.

For more detailed information you should read information form 1243i *Your personal identifying information*, which is available from the department's website www.immi.gov.au/allforms/ or from any office of the department or Australian mission overseas.
