# State/Territory notification: Business Skills class

Form  
**927**

Important – Please read this information carefully before you complete your application. Once you have completed your application we strongly advise that you keep a copy for your records.

Before you lodge your application for a visa under the following Business Skills subclasses:

- **Business Skills (Provisional)** — Business Owner (subclass 160), Senior Executive (161), Investor (162);
- **Business Skills (Residence)** — Business Owner (subclass 890), and Investor (891);

you must notify the business development agency in the state or territory in which you intend to go into business. You can notify more than one agency if you wish. Notification means:

- the agency has basic knowledge about you and your area of business interest in Australia; and
- the agency can help you with information about business and lifestyle in that state or territory.

You need to complete and send this form to the business development sponsorship agency in the state or territory in which you intend to go into business. The addresses of these agencies are available under the visa options for business people at [www.immi.gov.au/skilled/](http://www.immi.gov.au/skilled/). The agency will sign and stamp the 'Agency use only' part of this form and return it to you or your agent. You must include the signed and stamped form with all the other forms and documents in your application for a Business Skills class visa.
