

Where can I learn English?

Learning Centre Locations

The Adult Migrant English Program provides access of up to 510 hours of English courses to eligible migrants and humanitarian entrants, for five years from their visa commencement date, or the number of hours it takes to reach functional English (whichever comes first).

To learn more about the AMEP or find out where you can learn English, contact the centre nearest you, or call the DIAC enquiry line on **131 881** for the cost of a local call.
