Project Name		Commencement Year of Funding	Year 1	Year 2	Year 3	Total
Description	Orientation and Integration services to African Humanitarian entrants and Developing Communities to smaller African communities in Adelaide SD. The project aims to improve the client group's access to mainstream services in the service region through casework, referrals and group information sessions. Community development will be facilitated through activities that will build their capacity to work toward shared goals and to advocate for their own needs. The project will assist entrants to integrate into the broader community by supporting community sporting teams and organising activities between the client group and mainstream community. Information sessions focusing on employment and training will assist clients to link into relevant training programs in order to gain skills and improve their employability.	2008	\$100,000	\$0	\$0	\$100,000
