
Chapter 4

Humanitarian Program

- There were 13 017 visas granted under the Humanitarian Program in 2006-07.
 - 980 Woman at Risk visas were granted in 2006-07, the second highest outcome since this category was introduced in 1989.
 - There were 1831 Humanitarian Program visas granted under the onshore component in 2006-07.
 - There were 5067 Protection visa finalisations in 2006-07 and a total of 2243 Protection visas granted following primary, review or ministerial intervention decisions, representing reduced activity compared to 2005-06.
-
