## Explanatory Notes:

- 
- Note 1 All numbers have been rounded to the nearest 10 and salaries to the nearest \$100. Therefore the sum of individual items in a table may not exactly match the total. Where a number in a table is between 1 and 4, the number has been masked with < 5 for privacy reasons.
- 
- Note 2 This report is based on visa grant data recorded for visa subclass 457 in the current financial year and provides a comparison with the SAME PERIOD IN THE PREVIOUS YEAR. It excludes a small number of visa grants made to Independent Executives, who also used to enter on subclass 457 visa but are now included in the Business Skills categories.
- 
- Note 3 The principal data collected on 457 visa holders comes from the visa application and grant process. The applicant and their sponsor provide a range of information to enable DIAC to assess the eligibility of the sponsor and the applicant for the visa. This is the most accurate and verifiable data that DIAC collects on 457 visa holders. It includes such information as the location of the nominated position, the nominated occupation, the nominated salary and the country of citizenship.
- 
- Note 4 Unless otherwise stated, the tables in this report relate to primary applicants only.
- 
- Note 5 Unless otherwise stated, the occupation shown in tables in this report is that of the position that is being filled rather than the previous occupation of the visa applicant.
- 
- Note 6 Sponsors self-identify with an industry classification when lodging a nomination or sponsorship. The industry classification shown is based on what the sponsor has recorded. If a sponsor has notified more than one industry, the most recently recorded industry classification has been used in this report.
- 
- Note 7 Up until 1 April 2005, medical practitioners applied for a visa in Visa Subclass 422 Medical Practitioner. From that date, medical practitioners have been encouraged to apply for a Subclass 457 visa.
- 
- Note 8 In tables showing the Top 15 Citizenship Countries, the figure for unknown country of citizenship is included in the total only.
- 
- Note 9 In some tables, Not Recorded appears. This mainly relates to visa applications processed in the IRIS system. IRIS does not have the capacity to record comprehensive information about sponsors and nominations. Since 1 November 2003, the ICSE system has largely replaced IRIS for processing subclass 457 visas, but a small number of visas are still processed in IRIS.

## Definition of Terms:

<b>Applicant Type:</b>	Under the Migration Regulations, there are two types of applicants. These are primary applicants (the client who must satisfy the primary criteria) and secondary applicants. Secondary applicants are more commonly referred to as dependants.
<b>ASCO Major Group:</b>	Australian Standard Classification of Occupations 2nd Edition. Major Group is the highest level in the classification hierarchy and commonly referred to as ASCO 1.
<b>Base Salary:</b>	Represents the gross annual salary based on a 38 hour week that the employer has indicated they will pay to the primary visa holder. These amounts do not include the value of salary packaged items, bonuses, commissions or other payments listed in the schedule to the legislative instrument specifying Minimum Salary Levels for the Subclass 457 program.
<b>Independent Executive:</b>	Formerly, a group within subclass 457 who did not require a sponsor. They are now included in the Business Skills categories. A small number of visa applications for Independent Executives were finalised in the current year.
<b>Industry of Sponsor:</b>	The industry identified by the sponsoring client based on the Australian and New Zealand Standard Industry Classification (ANZSIC)
<b>Location of Nominated Position:</b>	The State or Territory where the visa holder will be working. This may be different from the business address of the sponsor and/or the visa processing office.
<b>Nominated Occupation:</b>	The occupation of the nominated position that the primary visa holder will be filling in Australia while holding the Subclass 457 visa based on the Australian Standard Classification of Occupations (ASCO) 2nd Edition
<b>Primary Applicant:</b>	The applicant who must satisfy the primary criteria for the grant of a visa under the Migration Regulations. Where dependant(s) subsequently apply to join a primary applicant who is already in Australia, the dependant applicant is not regarded as a primary applicant in visa grant data. However, they cannot be readily distinguished in arrivals or stock data.
<b>Total Remuneration:</b>	The total value of the salary package including base salary, allowances, bonuses and superannuation.
