Complete applications

You should ensure that you lodge a completed visa application. While the department may ask you to provide more information in order to determine whether you meet the criteria for grant of the visa, a decision on the visa application may be made solely on the information provided at the time of application.

Note: The Visa Application Charge will not be refunded if a decision is made to refuse to grant the visa because the applicant did not satisfy the criteria for grant of the visa.

More information to help you prepare your application is available.
