Travel Outside of Australia

To assist in the processing of your application, please provide details of any travel outside of Australia (including travel to your home country), since your last Retirement Visa was approved. If you have not travelled overseas, please write 'Not Applicable'.

Country visited (other than Australia)	Date arrived in country*	Date departed from country*

If you have a partner, please answer the following questions.

1. Has your partner travelled overseas since last being granted any type of Australian visa?
 - Yes – Please continue to question 2.
 - No – No further information required.

2. Was their overseas travel exactly the same as your own?
 - No – Please complete the details of their travel in the table below.
 - Yes – No further information required.

Country visited (other than Australia)	Date arrived in country*	Date departed from country*

* Dates should be in the format DD MMM YYYY, for example 10 Jan 2005. If you do not know the exact date please give an approximate date and note it as "approx".
